

**REMARKS**

This Preliminary Amendment makes clarifying amendments to the specification, drawings and claims. This Preliminary Amendment amends the claims to conform to United States patent practice. As to Figs. 12-14, the legend PRIOR ART has been added to those figures. No subject matter has been surrendered and no new subject matter has been added. The amendments are for clarification purposes and are not for substantial or statutory reasons related to patentability.

Respectfully submitted,

EVEREST INTELLECTUAL PROPERTY LAW GROUP
